Dear James:

On behalf of everyone involved, I write to thank you for your continued support of the *Senior Executives in State and Local Government* program.

We are very grateful to the IABFC for their on-going commitment to public sector excellence. This past summer, we welcomed 121 participants to the ranks of State and Local alumni, including Daryl Osby who was able to attend this program thanks to the BCOC/Warren Daniels Fellowship. This year, we celebrated the 30th anniversary of the State and Local program. We know that we could not have reached this milestone without the on-going sponsorship of organizations like yours, and for that, we are truly grateful.

As we begin to prepare for next year's sessions, we want to inform you that the Executive Education department as a whole is moving away from our traditional Sunday starts. Beginning with the 2010 program, the State and Local program will start on a Monday. The dates for next year's program will be June 7- 25, and July 5-23. The tuition rate will for 2010 will remain the same, however. If you have any questions, please don't hesitate to contact us.

Thank you again for your continued support, and we look forward to working with you on next year's program!

Sincerely,
